EXPERIENCE

At PCNA 2023-2026

Operations Team Lead

- Led day-to-day operations for a cross-functional team within a banking environment, overseeing workflow efficiency and resource allocation
- Managed team performance through coaching, KPI tracking, and regular one-on-ones, driving accountability and consistent service delivery
- Partnered with senior leadership and cross-departmental stakeholders to identify operational bottlenecks and implement process improvements
- Ensured compliance with internal policies and regulatory requirements while maintaining high standards of quality control
- Trained and onboarded new team members, strengthening team cohesion and reducing ramp-up time
- Utilized WMS and ERP systems daily to monitor operational workflows, track transactions, and maintain accurate records across the team

At TRIMARK SPORTSWEAR 2021-2023

- Coordinated inbound and outbound shipments via UPS, FedEx, and Purolator, ensuring accurate order fulfillment and on-time delivery
- Managed shipment processing and label generation using WMS and ERP systems, streamlining order workflows
- Prepared shipping documentation (bills of lading, customs forms, packing slips) in compliance with carrier and regulatory requirements
- Tracked shipments across multiple carriers and resolved delays, damages, or discrepancies in coordination with vendors
- Communicated with customers and internal teams to provide shipment status updates and resolve issues promptly
